Exercise 4-3

The screenshot shows a code editor with a dark theme. At the top, there is a toolbar with icons for a file, a search, a dropdown menu labeled 'top', a refresh icon, and a filter icon. Below the toolbar, the main text area contains a poem. At the bottom, there is a statistics panel with three lines of text.

```
It was the best of times it was the worst of times
  it was the age of wisdom it was the age of foolishness
  it was the epoch of belief it was the epoch of incredulity
  it was the season of Light it was the season of Darkness
  it was the spring of hope it was the winter of despair
  we had everything before us we had nothing before us
  we were all going direct to Heaven
  we were all going direct the other way in short the period
  was so far like the present period that some of its noisiest
  authorities insisted on its being received for good or for evil
  in the superlative degree of comparison only
```
